Program Assistance

Employment Assistance:

Jobs for Veterans’ State Grant (VPL 03-14, VPL 03-14 changes 1 & 2, VPL 03-19)
One of the strategies used by the U.S. DOL to serve veterans is the JVSG program, which provides funds to states to exclusively serve eligible veterans, other eligible spouses and to perform outreach to employers. JVSG funds are provided to states to fund two staff positions.

Disabled Veterans’ Outreach Program (DVOP) Specialists
DVOP specialist provides intensive services and facilitates placements to meet the employment needs of veterans, prioritizing service to special disabled veterans, other disabled veterans, and other categories of veterans in accordance with priorities determined by the Secretary of Labor.

Local Veterans’ Employment Representatives (LVER)
Under 38 U.S.C. 4104(b), the LVER’s principal duties are to: (1) conduct outreach to employers in the area to assist veterans in gaining employment, including conducting seminars for employers and, in conjunction with employers, conducting job search workshops and establishing job search groups; and (2) facilitate employment, training, and placement services furnished to veterans in a State under the applicable State employment service delivery systems.

Veterans with disabilities
If you are a veteran who is blind or disabled, the Kentucky Career Center can help you with assessment, counseling, training, personal assistance services, assistive technology and more. See our Office of Vocational Rehabilitation page for more information.

Kentucky Hiring Veterans’ Preference
In accordance with Kentucky Revised Statute (KRS) 18A.150, Veterans’ Preference provides veterans, and in some instances their family members, opportunities for Interview Preference for merit employment within state government agencies. Click here for more details.

National Career Readiness Certificate
The National Career Readiness Certificate (NCRC) is a nationally recognized accreditation of demonstrated workplace skills based on the ACT WorkKeys assessments in three foundational areas: applied mathematics; locating information; and reading for information. Many employers use the NCRC and other WorkKeys assessments for hiring and promotion. The governor’s office has made funding available to provide the NCRC free for any veteran. Click here or go to your local Kentucky Career Center for details and to schedule a test.

Work Opportunity Tax Credit (WOTC)
This Work Opportunity Tax Credit encourages employers to hire certain types of workers, including veterans from families currently or recently receiving public assistance or food stamps. If you qualify, your employer can apply to the Office of Employment and Training for this federal income tax credit.

Registered Apprenticeship Program
A Registered Apprenticeship Program (RAP) is a proven model of apprenticeship that has been validated by the U.S. Department of Labor or a State Apprenticeship Agency. RAPs enable and energize more employers to participate and provide them access to larger talent pools that have been trained for entry-level to management positions, thereby meeting industry demands and reducing unemployment rates across the country.

Small Business Credit Initiative (KSCBI)
The Kentucky Small Business Credit Initiative (KSCBI), composed of three distinct credit enhancement programs, is designed to increase the availability of credit to small businesses by reducing the risk of participating lenders assume. KSBCI helps to finance creditworthy small businesses that would typically fall just outside of a lender’s normal underwriting standards.

Federal Government
Want to work for the federal government? Federal government agencies can fill job openings faster when they hire disabled veterans. For more information on how you can qualify for a position in the federal government, visit the Office of Personnel Management’s Veterans Employment program at www.fedshirevets.gov/.

Hilton Honors™ Military Program
NASWA’s partnership with Hilton™ is making the career transition easier for veterans and transitioning service members. The Hilton Honors™ Military Program provides up to 100,000 hotel points to eligible Transitioning Service Members and Veterans to support needed travel for verifiable employment related activities, such as a job search, training for a new job, or finding housing. Click here to learn more.
Partnering Agencies

Homeless Veterans’ Reintegration Program (HVRP) - HVRP, HFV/WF, and IVTP (collectively, "homeless veterans programs") are the primary programs through which VETS administers grant funding to support employment opportunities for homeless veterans and veterans at risk of homelessness. The Department of Labor also serves veterans through WIOA title I programs, the Wagner-Peyser Act Employment Service (ES), and the Jobs for Veterans State Grants (JVSG) program. Through JVSG in particular, Disabled Veterans’ Outreach Program (DVOP) specialists, authorized under 38 U.S.C. 4103A, provide intensive services to veterans with significant barriers to employment, including homeless veterans.

U.S. DOL-VETS will require the grantees serving homeless veterans to enroll all participants in the public workforce system through the local AJC while these participants are receiving services through VETS’ homeless veterans program grantees. This is to create a sustainable partnership in which grantees understand each other’s services and participants’ employment needs are met. Grantees can find the closest AJCs here, http://www.careeronestop.org/LocaJHelp/localhelp.aspx. Note that each state may refer to an AJC with a unique brand or name.

Kentucky Department of Veterans Affairs (KDVA)
The KDVA assists veterans with a wide array of services, including: Benefits counseling, skilled long-term care at state veterans centers, dignified interment at state veterans cemeteries, health care, education, employment and special programs for women veterans, homeless veterans and others. Click here to learn more.

Kentucky Veterans Accelerated Learning for Licensed Occupations (VALLO)
Veterans Accelerated Learning for Licensed Occupations (VALLO) is one of the first initiatives of its kind in the United States. Made possible by a 2018 Department of Labor award to Kentucky Science and Technology Corporation, VALLO works to ease transitions for military service members by overcoming burdensome disconnects between military training and civilian licensure requirements. Our goal has been to give service members credit for their education and experience obtained in the military so that they may be quickly licensed and employed within Kentucky.

With an identified 35 disciplines, the VALLO team has worked diligently to accelerate pathways to occupational licensure, bridge coursework/degree curriculum, and impact state legislation to benefit veteran employment and licensure mobility. Our philosophy has upheld the best interest of the service member, while prioritizing the shortest, most direct pathways to occupational licensure. Ancillary efforts of VALLO hope to support prospective employers with workforce shortages and assist supplementary states in establishing similar models of licensure credit for veterans. The Work Ready Kentucky Scholarship (WRKS) helps Kentuckians who have not yet earned an associate's degree afford an industry-recognized certificate, diploma or associate's in applied science.

Scholarship pays up to the remaining cost of KCTCS tuition and fees after federal and state need-based are applied.

Qualifying areas for the 2020–2021 year are health care, advanced manufacturing, transportation/logistics, business services/IT, and construction.

Find eligibility criteria and a full list of approved programs on kheaa.com.

To apply, file the FAFSA and complete the WRKS application on kheaa.com. Application for the 2021-2022 school year opens in May 2021.
FAFSA Process

• Required for federal, state and most institutional aid.
• Apply as soon as possible starting October 1 of senior year or the year before you plan to enter college.
  • Ask schools to which you are applying if they have specific FAFSA deadlines.
• Your FAFSA can be sent to up to 10 schools to which you have applied or may apply.
• To ensure accuracy, use the IRS Data Retrieval Tool in the financial section of the FAFSA.
  • If taxes weren’t filed, use W-2s to report income.
  • Sign electronically with an FSA ID.
• Student and one parent can set up FSA IDs at fsaid.ed.gov.

What do I need to file my FAFSA?

• E-mail address or mobile phone number
• FSA ID for both the student and the dependent student’s parent/stepparent
• Your social security number
• Your alien registration number (if you are not a U.S. citizen)
• Your federal income tax returns, W-2s, and other records of money earned
  • The 2021-2022 FAFSA requires 2019 tax and income information
• Bank statements and records of investments (if applicable)
• Records of untaxed income (if applicable)
• Parent(s) of dependent students will also need the above information as well as date of birth, marital status, and date parent was married, divorced, or widowed.
What happens after I file the FAFSA?

- Review Student Aid Report (SAR)
- Make any necessary updates or corrections
- Talk to schools about special circumstances not reflected on your FAFSA
- Review award letters (may not come right away)
- Research additional scholarship and loan options to cover unmet need

Check email frequently! Most communication about financial aid will be sent electronically.
Kentucky Commission on Proprietary Education
Role of Career and Technical Schools

• Career relevant education and training
  • Prepare graduates for the workforce in a specific field
• Train students for employment in fast-growing/high demand areas (career pathways – manufacturing, business & IT, construction, healthcare and transportation)
• Collaborative partnership with employers
  • Schools create a pipeline “a conduit” of talent for our workforce and economy

• Exists to protect enrollees by regulating private, for-profit and not-for-profit postsecondary schools, offering career and technical training at the associate degree level and below
• Approval by the Kentucky Commission on Proprietary Education confirms credibility when a school is advertised to the public
  • It’s very important to Know Before You Enroll – Avoid Unlicensed Schools!
    • Licensed schools undergo a rigorous licensure process and must meet minimum standards
• Handles student complaints against a school
  • KCPE investigates the formal written complaint and works with the school and the complainant to resolve the issue
• Directly manages the closure of a school
  • KCPE communicates with enrollees and works with the surety bond companies to secure reimbursements and coordinates activities with appropriate state and federal agencies.
  • KCPE works to ensure the closed school turns over records so the individual can verify attendance for future education and employment needs
